SHADOW

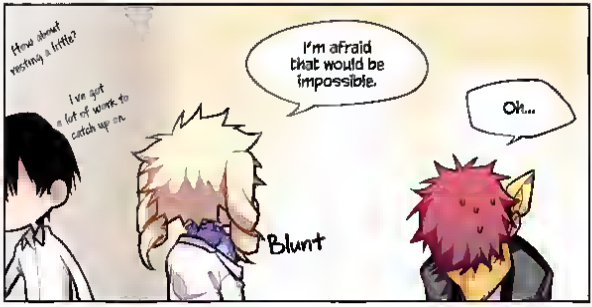
SUPER HUMAN ASSISTANT DEPARTMENT OFFICE WORKER

STORY: YUNJIL
ART: HYEJIN



How about resting a little?
I've got a lot of work to catch up on.
I'm afraid that would be impossible.
Oh...
Blunt

Even with my genius, something like that would be impossible at present.
To be quite honest, I think we were quite fortunate with Remora just now.

Since I made the Eraser Rain myself, I was able to reverse the theory.
I even had a specimen I could work with...

It is a method that could not be used in any other situation. The problem would only worsen should we attempt to remedy another situation with what we have developed today.
Memories erased by Super Human power especially,

Cannot be recovered.

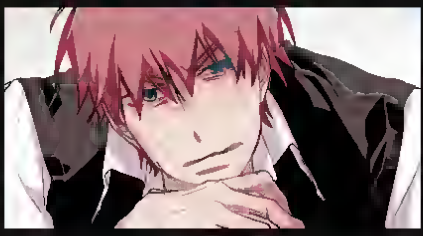
Super Human?
Wouldn't that be pretty cool?
Pretty cool? It'd be like winning the lottery!

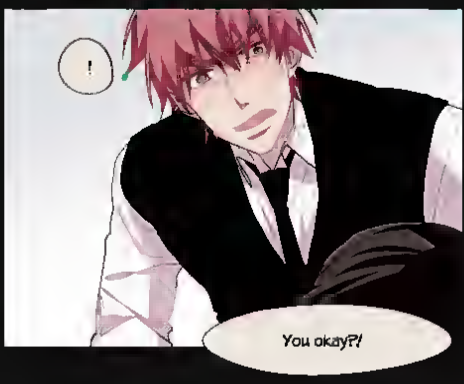
Ahn Jiwoon is ranting about that again.
Hey, hey! I don't rant. And think about how awesome it'd be!

CRUMBLE
SPLASH

Knn nng
Kssssssng

Cough
Cough





Who...?

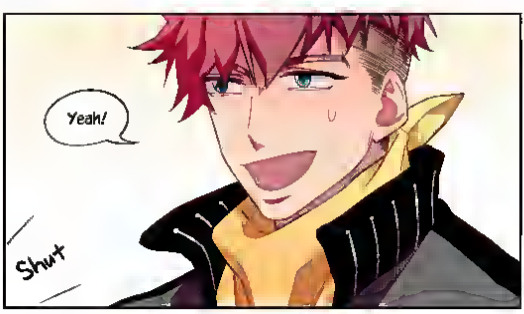
.....

...woon

Jiwoon?

I can see you haven't understood a word.

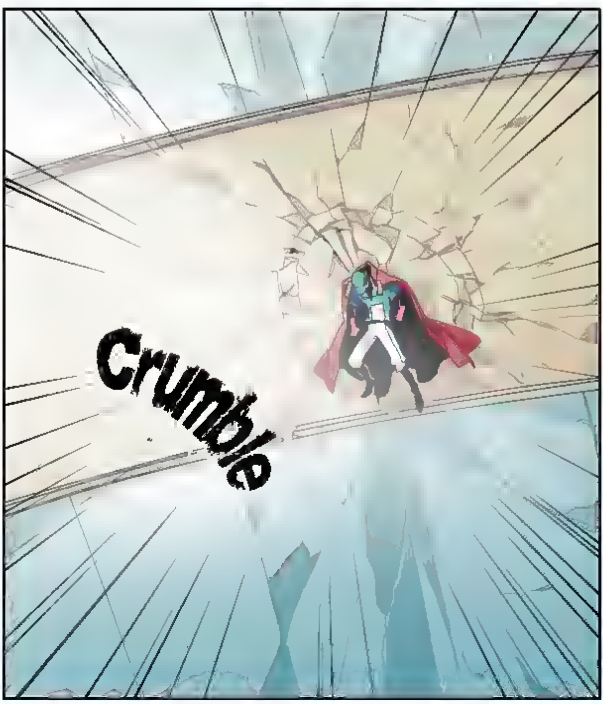
In any case, I must attend to my machines, so I will be taking my leave.



Haa..

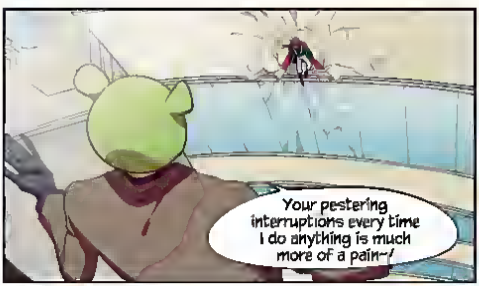
KYAAAAAA...!!

smash!



Grit
Taking hostages ever a pain for you?

Don't worry
A pain~?



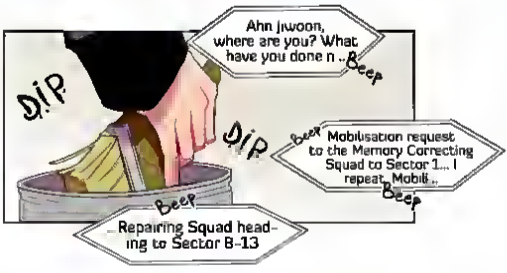
Your pestering interruptions every time I do anything is much more of a pain~!

You're sitting there and observing for today, Mr. Hero.
YOU BASTARDS!!!

IF YOU WANT TO FIGHT, FIGHT AWAY FROM BUILDINGS!!

You... You're a SHADOW, aren't you? Can't you see we haven't finished yet~?
HEY!
I have enough on my hands without having to save you too!

I can't help but interrupt when you're smashing everything up!
Can't you fight in a more civil way?!



Ahn Jiwoon, where are you? What have you done n ..

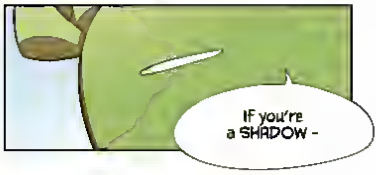
I'm going to get scolded by sunbae if I keep coming out to places like this!



IF you're a SHADOW -

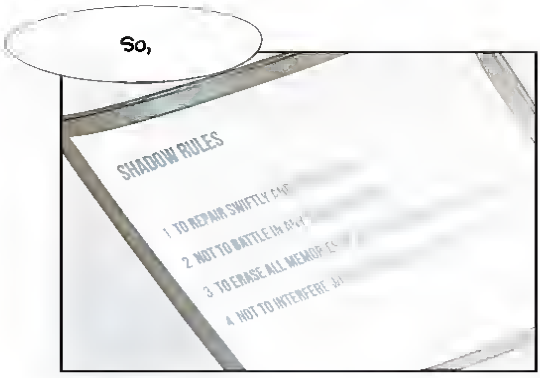
No need for my input, it seems.

Float
What did I tell you?

.?

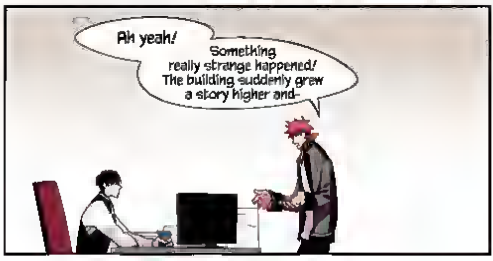


So,
SHADOW RULES
1. TO REPAIR SWIFTLY
2. NOT TO BATTLE
3. TO ERASE ALL
4. NOT TO INTERFERE

Explain to me...
Why did you interfere with the fight between the Hero and the Villain?

B-Because I wanted to fix the building fast...
Scratch
And there were civilians inside as well. .

BANG
And a building almost fell on you?

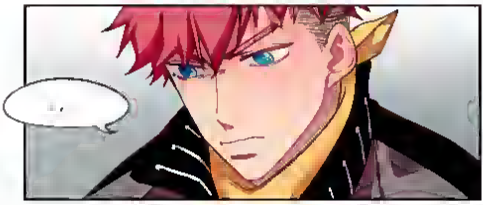


Ah yeah!
Something really strange happened! The building suddenly grew a story higher and-

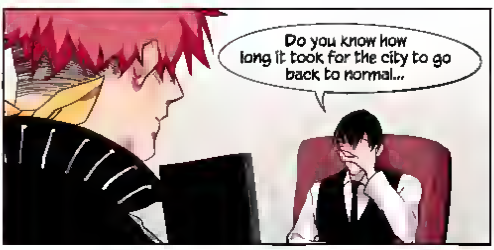
THAT'S NOT IMPORTANT!
SFX. ACK

What if something happened to you?!

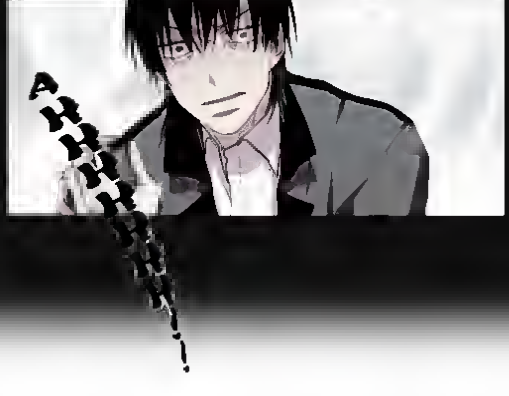
A-Ah... Well, surely the civilians are more important than someone like me..
Then who would repair the buildings and correct memories? The heroes?
Or are we going to ask the Villains for a favour?
To avoid smashing up the building?!



You're only acting so rash because you haven't experienced what happened 7 years ago.



When SHADOW got involved in the Fight as well?

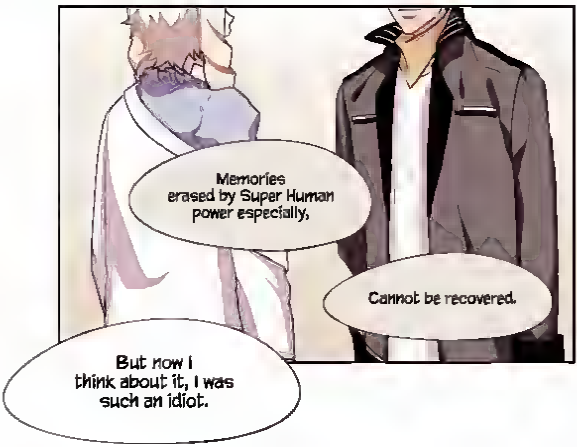


Protect yourself for the city.

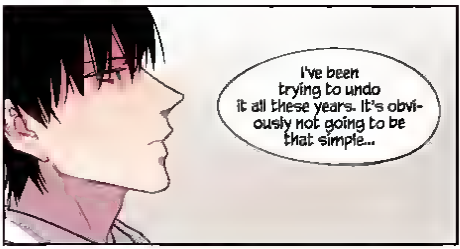
But,

There's no
point if I'm the only one
who's unhurt.

When Sunbae got Sunbae's memories back...
I was hopeful for a moment, thinking maybe I could reverse what I did before.

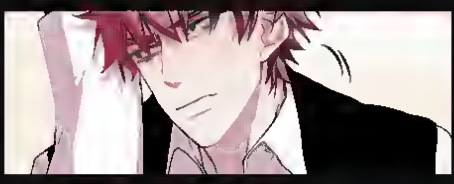


Memories erased by Super Human power especially,
Cannot be recovered.
But now I think about it, I was such an idiot.

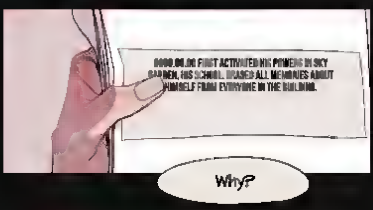


I've been trying to undo it all these years. It's obviously not going to be that simple...

*TLN: 안(AHN) – NOT, 지운(JIWOON) – ERASED



!



0000 ON 00 FIRST ACTIVATED HIS POWERS IN SKY
GARDEN, HIS SCHOOL. ERASED ALL MEMORIES ABOUT
HIMSELF FROM EVERYONE IN THE BUILDING.
Why?

Just found out that I've erased peoples' memories?

Or, did you know about it from the beginning...?

You want me to erase more memories from people?

But...

DON'T ERASE ME FROM YOUR HEART AS WELL

You just need a job only you can do.

I can't recover the memories that've already been erased, but I'm going to help as many people as I can with my powers.

You idiot.

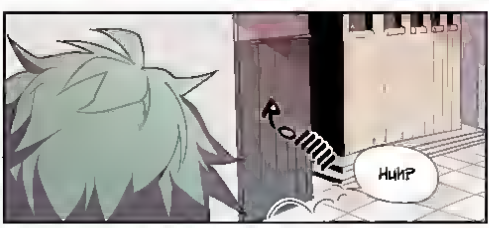
If you interfere with another battle, I'm going to kill you.
Hehe

Pull out!
Ahh.. Finally..
Place
Ahn Jiwoon, that idiot— It's so much harder without some young blood to help out..

EHH...
WILL HE BE OKAY? THAT'S A SENSITIVE TOPIC HE BROACHED THERE.
Especially with Ren-ya

Drop

??
Bounce Bounce



Roll~
Huh?

Did the building segments not mold together properly?

Dark
Dark...

I HAVE TO FIND THAT PIECE, OR ELSE

I'm going
to have to start
